Lynn Aglipay obtained her real estate license in 2004 and has been a member of the Palos Verdes Peninsula Association of REALTORS® since 2005. Over the course of the last several years she has been active with the YPN, Installation, Budget and Fundraising/Scholarship Committees. As part of her commitment to PVPAR's board of directors she actively participated in Legislative Day in Sacramento for the second year in a row. Lynn also attended Policy Day in Washington DC as a member of AREAA South Bay's Board of Director. Her goal is to encourage other members to participate, invest in an association or organization that supports you and contribute to maintain the ethics, integrity and livelihood of our industry and that of the Palos Verdes Peninsula Association of REALTORS®.

Lynn is currently a REALTOR® at Vista Sotheby's International Realty. Prior to that she was at Keller Williams Palos Verdes Realty, where she was a member of KW's 2013 Agent Leadership Council (ALC) and mentored new agents in KW's mentor/mentee program. Lynn is passionate about helping and educating fellow agents succeed and promoting integrity in the things we do. In addition to growing her own business, she is active in real estate industry issues affecting both homeowners and REALTORS®.

A big believer in "giving back", Lynn is a founding member and current Board of Director for the Asian Real Estate Association of America (AREAA South Bay); an organization that promotes sustainable living to Asian Americans living in the South Bay. Over the last 8+ years Lynn has worked with Toberman House in San Pedro providing dinners, lunches and helping co-ordinate their annual Christmas w/Santa Breakfast, which feeds over 700 underprivileged children and their families. She also spends a good portion of her time fundraising for Orthopedic Institute for Children (OIC) through Las Amigas De Las Lomas and Las Madrecitas where she has held active board positions.

Lynn was born and raised in the South Bay, is an innovative and outside of the box thinker and continues to bring fresh ideas to everything she does. Both of her daughters have attended Palos Verdes schools; her oldest graduating from Peninsula High School and her youngest will be graduating from Palos Verdes High School this year. Her belief is that at the end of the day, we, in our personal lives as well as our professional lives should "do the right thing" as from there good things will flourish.

*"It would be my honor and privilege to serve you as a Director for the Palos Verdes Peninsula Association of REALTORS®. Thank you for taking the time to get to know me. I look forward to serving you as a 2017 Director." – Lynn Aglipay*
