Realtor[®], PV Specialist

**Berkshire Hathaway
Home Services**

I am a California Real Estate Licensee (CalBRE # 01923274) and a South Bay/RPV resident since 1996. I currently work at Berkshire Hathaway Home Services as a REALTOR[®] in the Rolling Hills Estates Office. I have joined the Palos Verdes Peninsula Association of REALTORS[®] in early 2013. Currently I am serving as the Treasurer at the Board of Directors of PVPAR. Additionally, I am an active member of the Public Relations, Installation and MLS Committee. I am also chair for the Finance and Budget Committee.

I am married to Negin, who is an interior designer working independently. We will be celebrating 8 years of marriage together this year. We have a 5.5 year old son named Ramaan. I look forward to 2017, and hope to contribute more to the Palos Verdes Peninsula Association of REALTORS[®].

Before Real Estate:

I earned my Master degree in Mechanical Engineering from the University of Illinois (Champaign-Urbana) in 1995. I worked for General Motors for 1 year in Michigan before moving to southern California where I work for Boeing Satellite Systems. After a few years, I moved to Northrop Grumman Space Technology where I was the Lead System Engineer Manager on a multi-million dollars Satellite program.

I enjoy sports, especially Soccer, Skiing, Table Tennis, and Volleyball. My hobbies are playing Chess and problem solving!
