

# Sep Ebrahimi

Realtor<sup>®</sup>, PV Specialist

**Berkshire Hathaway  
Home Services**

I am a California Real Estate Licensee (CalBRE # 01923274) and a South Bay/RPV resident since 1996. I currently work at Berkshire Hathaway Home Services as a REALTOR<sup>®</sup> in the Rolling Hills Estates Office. I have joined the Palos Verdes Peninsula Association of REALTORS<sup>®</sup> in early 2013. Currently I am serving as a member of MLS, budget and finance and installation committees. I have served on PVPAR BOD as a treasurer in 2016 and 2017. I have been and will continue to be involved with and gladly volunteer my time to the PVPAR.

I am married to Negin, who is an interior designer working independently. We will be celebrating 12 years of marriage together this year. We have a 10 year old son named Ramaan, which is a really cool DJ! I look forward to 2021, and I am hopeful that I can contribute more to the Palos Verdes Peninsula Association of REALTORS<sup>®</sup>.

## **Before Real Estate:**

I earned my master's degree in mechanical engineering from the University of Illinois (Champaign-Urbana) in 1995. I worked for General Motors for 1 year in Michigan before moving to southern California where I worked for Boeing Satellite Systems. After a few years, I moved to Northrop Grumman Space Technology where I was the Lead System Engineer Manager on a multi-million dollars Satellite program.

I enjoy sports, especially Soccer, Skiing, Table Tennis, and Volleyball. My hobbies are playing Chess and problem solving!
